

WELCOME TO THE COMMUNITY CHARRETTE!

This is an important day for the future of McKinney. The Charrette will imagine the community you want McKinney to be in 2040. You will share ideas about important locations within McKinney and you'll work with your neighbors to create your map of desired development. The Charrette's results will be essential to the City's design of its new Comprehensive Plan. Thanks for helping to create One Community, One Vision, ONE McKinney 2040!
